MODEL 125 RIDER'S HAND BOOK

All model 125 motorcycles shipped on and after March 19 have had a copy of a new complete instruction book included in crate with other instruction literature.

To take care of model 125's shipped before new Rider's Hand Book was ready, we are sending separately to every dealer a Hand Book for each motorcycle shipped with temporary instructions.

Please see to it that every model 125 purchaser gets a copy of the latest Hand Book immediately; also place a copy with each model 125 shipped with temporary instructions.

There have already been numerous inquiries from model 125 owners about Hand Book. We have advised in every case that dealer who sold motorcycle would supply Hand Book when ready. We will continue to refer such inquiries to dealers.

Additional copies of model 125 Rider's Hand Book, for your own use, or for resale are available. Order as follows:
